

# JOHNIE FORTE, JR. MEMORIAL ENVIRONMENTAL ACTION GRANT

## **APPLICATION**

The Johnnie Forte, Jr. Memorial Environmental Action Grant Program was established to assist Fairfax County Public Schools and their recognized clubs with developing and implementing creative and sustainable solutions to promote cleaner, greener communities. The Clean Fairfax Council along with the Fairfax County Department of Public Works and Environmental Services distribute grants of up to \$500.00 to applicants whose projects represent a sustainable process that will promote these principles.

To apply, please complete the following information in as much detail as possible. Be sure to complete all sections of this application and use additional pages, if necessary, to provide a detailed description of your proposed project. All applications are due no later than **4:30 p.m. on December 1, 2010**. Grant winners are required to submit a short report (on disk, or by e-mail) on the success of their project, and their future plans to sustain the work they started, and are invited to present their work at Earth Day/Arbor Day on April 30, 2011.

You may fax your application and supporting pages to 703-324-3949, or send it to:
